

# BELLO SADAM OLUWASEYI

Data Annotator

 08130782284

 olawunmibello1@gmail.com

 LinkedIn

 Lagos, Nigeria

## SUMMARY

Intermediate Data Annotator with over one year of hands-on experience in labeling and annotating large-scale datasets to support machine learning models. currently studying how to use Snorkel for structured and accurate data annotation, with a strong ability to work closely with data scientists and engineering teams. Known for delivering high-quality annotations and providing constructive feedback that improves data quality and boosts model training performance.

## EXPERIENCE

Junior Data Annotator  
Atlas Capture

01/2026 - Present

- Successfully labeled and annotated 50,000 data items ensuring high-quality output.
- Contributed to the team effort in providing feedback towards improving annotation tools resulting in a 15% faster annotation process.
- Assisted in the training of 2 machine learning models achieving 92% precision.
- Ensured consistent communication with data scientists, enhancing the iterative annotation process.
- Engaged in continuous professional development, staying current with annotation best practices and software updates.

Data Annotator  
Moonvalley

11/2025 - 01/2026

- Annotated and labeled over 80,000 data points with 99% accuracy, following specific guidelines and quality standards.
- Collaborated seamlessly with data scientists, training 4 machine learning models that achieved 97% precision and recall metrics.
- Provided valuable feedback on annotation guidelines, leading to a 20% faster annotation process and improved model performance.
- Implemented the latest annotation techniques using Snorkel, reducing data labeling time by 30%.
- Maintained meticulous documentation, resulting in a 50% reduction in annotation errors and improved project tracking.

## EDUCATION

Computer Science  
Federal Polytechnic Ilaro- Higher National Diplomal

12/2022 - Present

## SKILLS

|                          |              |                                  |              |
